### Acknowledgements

Thanks to:

Amber Flamand of Earthmaster Environmental Strategies Inc. in Calgary for scanning some of the documents.

Shane Patterson of Alberta Environment and Protected Areas for providing the 1987 Alberta Chapter proceedings, and Brian Free, Gary Ash, and the Canadian Society of Environmental Biologists for agreeing to have the papers scanned and made accessible.

Leonard Leskiw and Paragon Soil and Environmental Consulting for providing the 1988 Chapter proceedings (published 1989), and the Soil and Water Conservation Society for agreeing to have the papers scanned and made accessible.

InnoTech Alberta Library and Emily Herdman for providing the 1990 conference proceedings (published 1991).
